VERY SEXY IN PINK

It wasn't until I got to college that I became a party girl. And that was in my sophomore year. I was a geek with long hair and glasses. I knew I had a nice body, but I didn't have anyone to share it with. Then my roomie took me shopping at all these alternative stores and I think I found my niche. I love my look and have great confidence in my sexiness. Now boys are all into me and I like that.

REINVENTED

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm an all new person ready to take on the world. Say that you're ready for me and more like me?

I'LL SPREAD MY CUTE ASS FOR YOU

Guys have always told me that I have a cute ass, so I'd wiggle it in front of them at frat parties. Little by little that became my trademark move and some of the guys wanted to explore it. But before I let them, I have to be comfortable enough with it so I did it first. I want you to watch me play with it.

HOW TO HELP A LADY IN DISTRESS

After six months of self-love, I had to do something. I had to get laid. Then kizmet struck. I was in the Electrical section of a big hardware store looking for a replacement light switch. Ten feet down the aisle was this hot-looking chick in a baseball cap and clean sneakers looking at extension cords. She was looking kinda frustrated by the selection. Then right out of the blue, my mouth says, “Too many to choose from, huh.” She looked over at me with a quizzical smile. I quickly apologize for the intrusion and she giggled. A moment later she asked, “What's the difference between 16 and 14 and 12?”

I looked around to be sure she was talking to me, and then said, “Oh, that's the gauge of the wire. The higher the number the smaller the wire.” She looked at me again. “What that means is that if you're looking for a cord for a lamp or fan, then a high number is fine because they don't use much electricity. If it's something that uses more power then a lower number would be better. I don't think you'd need a 12 gauge unless it's for power tools.” I said chuckling.

“Actually, it's my lamp. It's kinda old but the cord is frayed and I thought I might put an extension on it so the frayed part wouldn't be near the switch.” she said.

“Oh, no. Not a good idea,” I said walking over to her. “That's way too dangerous to do,” I cautioned. “You should replace the lamp's cord, or at the very least put some electric tape on it, but I wouldn't recommend that.” I added.

“What should I do since the lamp is a family heirloom and I just can't replace it?” she asked. “Over here they have replacement cords without the female ends, and then you just splice the wires from the cord and the lamp together.” I said. She looked at me again with a baffled smile, introduced herself as Cassie, and asked if there was any way I could fix it for her. I said matter-of-factly. “Nice to meet you. I'm Alan. I have some errands I must do this afternoon, but I can help later today or tomorrow.” I offered.

She told me she was having a party tomorrow night and if I could come over before that and fix it, she'd be very appreciative... And I could stay for the party she added after a moment's hesitation. I told her I'd bring my tool kit and dressy loafers. She laughed and I could tell she was at ease with me.

Next day I show up right at 5 pm and she has a couple glasses of wine sitting on the kitchen counter for us. She motions me to the living room and there next to the sofa is this beautiful Tiffany lamp. I compliment her on it and she says it's been in the family since the early 1900s. I proceed to fix the lamp, taking my time, and she looks on intently. I bring her into the

and he said he had a quick errand to do. We went to his girfriend Corrina's house. He opens the door and sighs, closing the door behind him he mumbles "Sorry Corrina, I was supposed to meet another friend and I got side-tracked." Corrina laughed as she got up and said "Don't worry. Let me know when you're ready again." "Sure." smiled Colin. As he kissed her one last time for the day, Corrina began to rub his cock through his jeans. She took his hand pushed it down her shorts and over her pussy. Colin stuck in two fingers, moved them around and pulled them out, putting them into Corrina's mouth. She sucked his fingers and looked up at him. "I'll be back tomorrow with Marie." Colin said.

Corrina pushed him out the door. We left and headed over to Marie's house. Marie was quite the girl. She was just a little over five foot with cute perky boobs and a firm round ass. She too was a party girl having partied with Colin throughout their four years in college. She had told Colin that she needed to talk to him about something very important, and the way she said it, Colin guessed it probably was.

We finally made it to her house and he knocked on the door. Marie immediately opened it and literally pushed and shoved him into her house. She sat him down on her sofa. I took the side chair and tried to be inconspicuous. "Okay, so what is so important, Marie?" he asked.

"Okay listen, I'm going to tell you something important?" Marie raised her eyebrows. Colin nodded as he waited in anticipation. "Alright, so I not only like guys but I think I'm also liking girls. I've done another girl once as a freshman but I was hoping you could introduce me to your girlfriend. I don't know if she's been with another girl or not, so I was wonder..."

Colin breaks in, "You saying you want to get it on with Corrina?" he says interrupting her. "I know she's done a girl or two but doesn't consider herself gay because she's now got this..." he says grabbing his crotch and looking over and winking at me.

Marie continues, "Cute. I'd be willing to sweeten the pie. If you ask her, I'll join you in a threesome, and I can sneak into her pussy that way." Colin sat back on the sofa and cupped his hands behind his head to think about it. "Okay, I'll ask her." he says.

"No, you have to convince her." says Marie.

"Okay, okay." he snaps back. "Gimme a day." We get up and leave her place.

"Watcha gonna do?" I ask. "I'm gonna ask Corrina." he replies. "How can I give up a chance at a three-way with those two?" We laughed and high-fived.

Next day I got a call from him: "Dude, Corrina didn't go for it. She said she doesn't do girls anymore and for sure she won't do a three-way. And if that's what I want, then I don't want her."

"Damn, dude." I said. "That's cold. No other way you can convince her? Did you tell her you were just trying to do a favor for a friend?"

"Yeah man, I said all that stuff, and she just knocked me down. I think I need to chill for a bit and give her some time to cool off." he said. "I'll call her in a couple days and she'll take me back. I know it."

Well, my fellow readers, several days have passed and she didn't take him back, so if you thought you were gonna get a letter with Colin fucking a couple of hot chicks as they did each other – nope – ain't happening, but I had ya goin'!

– Dude, in St. Louis

process by asking her to do some little things and she seems happy to help. After I finish and go to the kitchen to wash my hands, Cassie follows me in and plants this huge kiss on my lips. We share an awkward kiss and my mouth starts to talk. “Shut up,” she hissed, kissing me more intently this time using her tongue swirling it around mine and sucking on my tongue gently and lovingly. I became more bold and reached under her top and began massaging her left breast.

Not pushing me away, I became more confident and gently pinched her nipple between my index and thumb as she purred to the touch. I took off her top and grabbed her exposed breasts. She took off my shirt and I unzipped her pants and pulled them off. I kissed from her neck to her chest to her stomach to her lady mound of perfectly coiffed pubic hair. I gently licked her pussy through her thong, then pulled off her thong revealing her treasure. I lock her thighs around my head as I slowly make my first lick on her bare pussy.

After a few more licks on her labia, I spread them apart with my fingers and lick inside her pussy. She held tight to my head and squeezed my hair as I tongue fucked her to a mini-orgasm. She oozed a thick and tangy liquid from her pussy and I lapped it all up with my tongue and then sucked her pussy clean. After her body stopped shaking and she settled down from her orgasm, she kissed me once more then held my thighs as she slowly licked her way down to my member.

She stared at it inquisitively then slowly grabbed it causing it to throb harder. She started pumping my shaft as she had her soft luscious lips around my cock head and sucked. She would slide her lips along it then apply suction as she moved her lips upwards. I was amazed at the feelings I was having. It was heaven, this being my first blow job in more than eight months.

She picked up speed then I closed my eyes hard, and tensed my whole body up then exploded my first rope of thick, hot cum into her mouth. I unloaded what seemed like a pint of ejaculate into her mouth and she swallowed it all. She stood up and washed it down with her wine looking at me right in the eyes as she did. Man that was hot.

Suddenly, the doorbell rings and she tells me it must be her party guest. I go to the bathroom to collect myself and freshen up. When I return, there’s a stunning brunette standing with Cassie in the living room. The brunette sees me and extends her hand to me and says “Welcome to the party, Alan.” Whoa!!!!

– Alan, in Pussy Heaven

NO PRTY HERE

I have this friend, Colin, who’s a good friend of mine. A party guy whose antics are infamous around our crowd. He’s a little wacko, and it’s that kind of wacko that gets him all sorts of girls. He drives a souped-up black Honda with a license plate that says: PRTY GUY. He’s so bold with that party thing that he’ll ask almost any female he sees to come to one of his parties. Sometimes I just can’t stand to be with him when he does. So embarrassing he is.

CAN YOU HANDLE ME AND MY RED FRIEND?

I've been told that I'm a sex-a-holic. Well, not clinically, I don't think, but it's pretty obvious that I love fucking and getting fucked. I love doing it for my man, for me, and for the camera. I like doing it a lot. And I like doing it that thousands of you are wanting to get off so I'm gonna give you my best.

I THINK YOU KNOW WHAT'S GOING TO HAPPEN!

I'm not an A student. That is, not in my Ass. But there's plenty of mouth and pussy to play with. Yes, I'm a tease and like to get my way, and a preppy college professor isn't going to stop me. I'm cute, but we both know that I'm the one in control. I have the pussy, and that's lesson number one that all guys learn.

SHE WALKS IN LIKE SHE OWNS THE PLACE

DON'T CALL HER A BITCH, CALL HER THE BOSS

Claudia knew she looked hot. She always looked hot. That was the whole fucking point. She was 22 and with crazy wild blonde shoulder length hair, a great body, and perfect C-cup boobs. When she walks into a room, the air conditioning turns on automatically. Tonight, it's a short black leather skirt that barely covers her ass and a sleeveless sequined black top that stops at her bejeweled belly button. Silver bangles clinking on her wrists and big hoop earrings completed her look. Jumping into her red Miata convertible, she takes off for the biggest party of the year – Independence Day night at Fyreworx, the Club. She valets her ride and headed into the Club. It was a summer night, Friday, just before midnight. She was hoping to land a big thick cock that had come to the Club looking for a score. The very thought had kept her moist during the ride there. As she walked into the Club, she again felt all eyes look at her and fingers point.

Clubbers moved aside as she walked over to the bar. Along the way were stares and whispers and jealous looks. Undaunted, Claudia scoped out the crowd. Pickings were slim, she thought. many of the women looked good, but the men, not so much. "This is South Beach's best?' she wondered.

He stood up and offered his seat. He was tall, well over six feet. His tanned skin contrasted nicely with a fresh white dress shirt. She could tell he took care of his body. Nice muscles, not bulging, just right, she thought. She guessed he probably played on a basketball team. She looks him in the eyes and thanks him. He offers to buy her a drink and Claudia accepts. He is what she wants. And she'll get what she wants.

She climbs onto the stool making sure her skirt rode high and her cleavage hung low. He was taking the bait. She saw him look, then stare. After a minute the bartender takes her order and another minute returns with it. She takes her Mojito and stands to walk away smiled a 'thank you' at the young man. There was a bulge in the front of his pants. She notices with a smile on her face and decided right then and there to see how well he would play. She walks into the Club's craziness leaving him standing there staring after her. His right hand was rubbing a significant bulge in the front of his pants.

But he did not follow her into the crowd. He was still standing there. He had his phone out and was talking on it. She walked around for a few minutes and circled back to the bar with an empty glass and a stream of wanna-be suitors following her. He was not there where she left him. He was a few stools away and she overheard him on his phone. "Man, check this out, that bitch is back!" He smiled as she came over to him.

She takes his phone and talks into it: "This is the bitch and you gotta go." Then she puts it down on the bar. "If you're man enough, I'll give you the blow job of your life, and maybe let you fuck my tight ass. Or are you all talk?" She takes the phone from the bar and shoves it into his front pants pocket pushing it into his cock. Looking at him and not waiting for an answer, she says, "This way." and walks away disappearing into the depths of the Club.

He follows her hair above the crowd tops to the back of the Club. Waiting by the Manager's office, she pushed it open and went inside, turning and motioning to him to come inside. Locking the door behind him,she motions him over to a black sofa. She dims the harsh lights and walks back to him crossing her arms over her chest. She looks down at his crotch and on que he unbuckles his belt and shoves his shorts and boxers down to the floor.

Claudia's blue eyes grew wide. He was bigger than she imagined. Maybe the biggest she had ever seen. Right before her eyes, his missile was rising. It was already very big and she decided she had better grab it before it got bigger. Aiming his cock at the back of her throat, she pulled it into hungry mouth. Then grabbing his sizable balls, Claudia gave them a slight tug and squeezed making him cry out. Pulling his cock out of her mouth, she looks up at him and says "You know

I'm not your bitch but a woman who's going to drain your balls and take my pleasure with you, and you're going to love it. So put your cock back in my mouth so we get this done and I can get back to my Club."

He stepped back not believing what he had just heard. 'Her Club?' Then Claudia smiled and sucked his cock right back into her mouth. 'He's going to feel so good inside me!' she thought as she pulled it back out. When it was out of her mouth, she could see how big the damn thing was. The sight of her saliva coating it and seeing her lipstick most of the way down to the base made her smile. Sitting down on the sofa, she sucked the guy for all he was worth. Long licks down the underside of his shaft; little bites to the skin on the topside; and flicks of her tongue into the slit on his cock head. She really was a good cocksucker and she knew it!

Standing up, she leaned over the sofa and hiked up her skirt over her hips exposing her naked ass. "Are you ready for my ass?" she asked turning her head back at him. He drops to his knees and starts licking her pucker. She could feel his tongue trying to push its way in. He stands and pushes the tip of his cock forward into her tightness it was something that made her tremble and think she might cum on his very first stroke. As if reading her mind, his big right hand slapped her ass. As he sank the last of himself deep into her anus, he left it there and she worked her muscles tighter around him. At the tightest squeeze, he pulls back and jams it back in establishing a rhythm that lasts for a long five minutes.

Claudia tells him to rub her pussy as she reaches back between her legs and grabs his swinging balls. Again she squeezes them and rolls them around in her hand. She looked back at him and he was leering at her with open lust and unconcealed desire. Looking into his eyes, Claudia takes his hand from her pussy and pulls it up to her mouth licking her pussy juices off it. Watching her do this, he slams his huge cock deeper into her ass over and over again.

She moved her hand from his balls to her pussy and rubbed her clit harder and harder as he was drilling her again and again with his nine inches cock while never pulling out! She felt her orgasm beginning just below her belly and then exploding down to her toes and up through her stiff neck. Her nipples tightened against the fabric like she had not experienced in years! At the same time, her asshole squeezed and strangled the huge rod stuffed deep up inside her. He pulled almost all the way out and then with one last deep plunge, he slammed her ass and spewed everything he had into her.

She squeezed one more time and his softened cock slid out of her butt to hang low and low between his legs. They both slumped back onto the sofa and struggled to get their pounding hearts back to normal and get oxygen moving through more of their bodies than just their genitals. After a moment, Claudia walks over to the office desk and pulls the middle drawer open. Reaching into it, she pulls out a small stub of paper.

The guy had stood up trying to stuff his half-limp dick back into his pants. She walks over to the door and unlocks it and then walks back over to him. She hands him the business card sized paper and he looks down at it.

"Good for one free drink. Compliments of Claudia and the Fyreworx, the Club. Expires tonight."

Mischa Brooks and Ash Hollywood

Let's Turn This Work-out Into A Pussy Party

Ash's club membership expired a month ago because she couldn't afford the dues anymore. Fortunately for her, and for us, she met Mischa there and she agreed to help her with her workouts outside the club. Today is their first session and it's going to go very well. Very well, indeed.

NO, I AM NOT THAT INNOCENT!

Roslyn

I was supposed to go to a party tonight, but my grades are not that good. So, I decided to stay in and get some help with my studies. Danny has agreed to help me and should be here any minute. He's really smart and I have to find a way to show my special appreciation. I think I'll freshen up my cute, tight little butt hole and see if her wants to fuck it. I hope he does.
